MAPS – MAROON 5

I miss the taste of a sweeter life
I miss the conversation
I'm searching for a song tonight
I'm changing all of the stations

But I wonder where were you
When I was at my worst
Down on my knees
And you said you had my back
So I wonder where were you
When all the roads you took came back to me
So I'm following the map that leads to you

The map that leads to you
Ain't nothing I can do
The map that leads to you
Following, following, following to you
