What are the four seasons of the year? They are spring, summer, autumn (or fall), and winter. Each season has different weather and activities. In spring, flowers bloom and the weather becomes warmer. Summer is usually hot, and many people enjoy going to the beach or swimming. Autumn brings cooler temperatures and leaves changing color. Winter is cold, and in some places, it even snows. People often wear warm clothes and celebrate holidays during this season.

- a) There are four seasons in a year. ()
- b) Summer is usually cold. ()
- c) Flowers bloom in spring. ()
- d) People always go to the beach in autumn. ()
- e) Some places have snow in winter. ()
